the global programme to eliminate lymphatic filariasis  
gpef launched by the world health organization who in 2000 had two strategic aims to interrupt transmission of lymphatic filariasis  
If through mass drug administration mda and to alleviate the suffering of people affected by the

disease monitoring and evaluation has been essential in generating evidence for programme decisions such as when to start and stop mda in 2011 who published the monitoring and epidemiological assessment of mass drug administration a manual for national lymphatic filariasis elimination programmes which introduced transmission assessment surveys tas to standardize the strategy for deciding to stop mda and to conduct post mda surveillance this 2nd edition of the 2011 guidance includes a new mapping protocol best practices and new tools for monitoring mda coverage a replacement of pre tas with the epidemiological monitoring surveys ems a strengthened tas with lower threshold for deciding to stop treatment a protocol for measuring the impact of the triple therapy regimen of ivermectin diethylcarbamazine and albendazole and more detailed guidance for following up people found to be infected during surveys finally tools and guidance are provided to help national programmes mitigate persistent transmission and new guidance is introduced outlining possible platforms for post validation surveillance tools to support implementation of the new m e framework are provided in annexes

this timely and innovative book argues that queer film festivals reclaim urban space for queer women and other marginalised queer subjects through the mobilisation of both material and diegetic space it is a response to the loss of queer urban venues and community spaces across across many parts of the global north and a claim for the political potential of queer film festivals in the context of late stage capitalism drawing from critical events studies film and film festival scholarship archival research cultural geography and research in the creative industries the book deploys an interdisciplinary arsenal of tools in order to understand the complexity of festival space covering the period from 1980 to the present the volume posits original case studies of two long running festivals as well as analysis of ephemeral grassroots events this thorough and critical exploration offers significant insight into the strategies deployed by queer film festivals to carve out queer geographies in the city and the potential of event driven place making to construct alternative morphologies and more equitable approaches to urban space this volume will be of pivotal interest to students scholars and academics of critical event and festival studies film and film festival studies cultural creative and media industries cultural geography sociology and urban studies as well as those with an interest in these areas more generally

projects are risky undertakings and modern approaches to managing projects recognise the

central need to manage the risk as an integral part of the project management discipline managing risk in projects places risk management in its proper context in the world of project management and beyond and emphasises the central concepts that are essential in order to understand why and how risk management should be implemented on all projects of all types and sizes in all industries and in all countries the generic approach detailed by david hillson is consistent with current international best practice and guidelines including a guide to the project management body of knowledge pmbok and the project risk management practice standard from pmi the apm body of knowledge and project risk analysis management pram guide from apm management of risk guidance for practitioners from ogc and the forthcoming risk standard from iso but david also introduces key developments in the risk management field ensuring readers are aware of recent thinking focusing on their relevance to practical application throughout the goal is to offer a concise description of current best practice in project risk management whilst introducing the latest relevant developments to enable project managers project sponsors and others responsible for managing risk in projects to do just that effectively

this book of readings is designed to accomplish two tasks to philosophize on igwebuike and to honour professor kanu ikechukwu anthony o s a these two tasks or goals go hand in hand because igwebuike is professor kanu s philosophy the book clearly demonstrates why kanu deserves honour as an african philosopher who has introduced a way of doing african philosophy it is an approach of doing philosophy that takes into account african ontology and cosmology igwebuike as a systematic african thought is exploratory in nature it investigates issues with a view of seeing how they are related doing philosophy in this way takes into account not only the african context but the world as a complex entity with myriads of challenges the myriads of challenges facing humanity have a representation in this book for this reason the book is bound to have a global impact in terms of philosophizing this book demonstrates that africa is confronted with many discourses discourses that are already going on but need a more systematic african philosophical approach some of the discourses are on the environment governance infrastructure human and material resource among others denis odinga okiya maryknoll insitute of african studies nairobi kenya

commercial management theory and practice defines the role of commercial management within project oriented organisations providing a framework for and helping to develop a critical understanding of the factors that influence commercial management practice it also identifies generic aspects of this practice and provides a theoretical foundation to these activities by reference to existing and emergent theories and concepts as well as to relevant management best practice the book is structured into four parts part 1 introduction commercial management in project environments explores the nature of commercial practice within project oriented organisations at the buyer seller interface it presents a commercial management framework which illustrates the multiple interactions and connections between the purchaser s procurement cycle and a supplier s bidding and implementation cycles additionally it outlines the principle activities undertaken by the commercial function identifies the skills and abilities that support these activities and reviews the theories and concepts that underpin commercial practice finally it identifies areas of commonality of practice with other functions found within project oriented organisations plus sources of potential conflict and misunderstanding part 2 elements of commercial theory and practice covers commercial leadership exploring strategy risk and

uncertainty management financial decision making and key legal issues part 3 approaches to commercial practice addresses best practice management and commercial and contracting strategies and tactics finally part 4 case studies offers two extended case studies football stadia the millennium stadium cardiff the emirates stadium islington and wembley stadium london and heathrow terminal 5 the book provides a one stop shop to the many topics that underpin commercial management practice from both a demand buy side and a supply sell side perspective it will help develop an understanding of the issues influencing commercial management leadership strategy risk financial legal best practice management and commercial and contracting strategy and tactics this book s companion website is at [wiley.com/go/lowecommercialmanagement](http://wiley.com/go/lowecommercialmanagement) and offers invaluable resources for both students and lecturers powerpoint slides for lecturers on each chapter sample exam questions for students to practice weblinks to key journals and relevant professional bodies
